## BLACK HAWK R/C PILOTS - DECEMBER 2020

### From the President

The next club meeting will be a Zoom meeting at 7PM on December 22<sup>nd</sup>. The agenda for the meeting is to get together and swap airplane stories.

The winter club meetings are Zoom meetings. When it's time for the club meeting use the link in the newsletter email or open the Zoom app and click on "Join a Meeting" and type the following information:

Meeting ID: 655 259 0028

Passcode: airplane

Free Zoom accounts are limited to 40 minute meetings. If we run longer than that, we'll disconnect and reconnect using the same sign in information above.

### Shop Tour

If you'd like to give an online tour of your shop and current project, just let me know. If not a tour, how about a photo of a project that's underway.

### Bob Nelson

Bob Nelson (Hobby Shop Bob) is back home and facing a long

recovery from the covid virus. We all wish Bob well.

### AMA & Club Dues

Club dues are due in January. For most club members the dues are \$100 per year. I see that most club members have renewed their AMA membership. Several members have taken the multi-year renewal option. Check your AMA membership card for your renewal date.

### Iowa City Swap Meet

The Iowa City Aerohawks have canceled their annual swap meet for 2021 due to covid concerns. They plan to return in 2022.

That's it for this month. Stay safe, wear a mask and wash your hands.

## Club Meeting

The winter meetings are on Zoom at 7:00 PM.

As I write this on Thursday, December 17<sup>th</sup>, looking out at the snow on the ground and temperatures in the 20s, I'm remembering that just a week ago it was sunny, 59° with 10 mph wind from the NW. Several "hardy" pilots were out at the field then getting in some December flying. In fact, last week was the 2<sup>nd</sup> or 3<sup>rd</sup> day of December flying! Here are some pictures I took on those days.... I'll post some videos on YouTube when I have some spare time.
