CRAFTS & FLEA MARKET & FARMERS MARKET VENDORS SIGN UP AT CITY HALL

IMPORTANT INFO-- (will be updated as event gets closer)

-October 6th 10am-2pm

-SPACES ARE ASSIGNED. Set up begins at 7:30am. I will try to have a map posted the night before so if you get there earlier than I do, you know where you're at. However, if you set up in the wrong spot (they will be labeled), you might get asked to move.

-Spaces will be roughly 10'x10'-12'x12'

-Cost: \$10 per space to be collected that day (may have up to 3 spaces)

-This is an OUTDOOR event located at our city park (on Main St. - look for the water tower)

-Very limited electricity is available. Let me know if your booth requires it.

-If you have a pop-up awning, bring it! Some of our spaces have no shade.

-If you know someone interested in a space, please send them my way! The more, the merrier!

-I will start a list of vendors & do my best to keep it current as more people join. Thank you for being a part of our flea market!
